2 of 2 people found the following review helpful. Great Reading for Health careBy Rosanne WestGreat reading and very informative. A classic and a book all health care providers should read. Should be part of the nursing curriculum

Extensive coverage of humor in interpersonal relationships, patient education and the work environment greatly enhance the value of this book to all health care professionals. Humor and the Health Professions introduces the benefits of humor not only as a healing tool for the patient, but as a stress management tool for the health professional as well.
