**From Brand: Hamlyn : Little Book of Gin Cocktails (Little Book of Cocktails)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Book of Gin Cocktails (Little Book of Cocktails):

Cool and crisp and dry: gin makes any cocktail special. Whether you're searching for a timeless pre-dinner drink or an out-of-the-ordinary taste, one of these 50 fantastic recipes is just the thing. Whip up a stylish, sophisticated classic; all the favorites are here, from the traditional Martini to the inimitable Long Island Ice Tea. Having a celebration? Gin is

the perfect party mixer, adding effervescence and flamboyance to a soiree; watch how the delights of an Alice Springs Fizz or a Silver fizz start everyone swinging. Savor the exotic flavors of fabulous fruity cocktails that put the tropics at your fingertips. Go Caribbean with a Juliana Blue or sail away to Southeast Asia on a Singapore Gin Sling. Turn down the heat: those in need of refreshment will find it in a tall, cool glass of Cherry Julep. No matter which you choose-- every one's a winner!
